### **Area Business Announces New Opening**

Education and Training Connection (ETC) proudly announces the opening of its newest training facility. ETC's Training Center, located at 1415 Washington Street, Midland, will open its doors on October 1.

Education and Training Connection provides customized training in business skills and software applications for business and industry, as well as individuals. ETC provides the following services: Website Development, Consulting Services, ACT WorkKeys® assessments, scoring and profiling, Seminars, Facilitator Services, Association Management, Event Planning, and a Mobile Training Unit (MTU) that has the capability of training on-site or off-site to serve the needs of the mid-Michigan region.
