

FILMMAKING INDUSTRY TRAINING PROGRAM!

Michigan now has one of the most lucrative film incentives in North America. Hollywood is coming to Michigan! If you have ever had

a desire to work in film or are looking for a new career the Education and Training Connection (ETC) has the class for you!

ETC offers Film Fundamentals the core class of their Filmmaking Industry Training Program. The Film Fundamentals class will teach you everything you need to know about being in the business of film. You will feel confident to step on to a film set and know exactly what you need to do.

The Film Fundamentals class is taught by award winning producer Jennifer Schaefer. Jennifer is a Michigan native who has spent the past 10 years in Los Angeles working as a producer in the motion picture industry. Jennifer relocated to her home state to train others in the fascinating business of film.

After the huge success of ETC's previous program at the reduced rate of \$750.00, ETC is generously offering the program again for the same price!
